SERUM LIPIDS AND LIPOPROTEINS IN NEPHROSIS

29. Shafirir, E. Personal communication.

CORRECTION

In the paper entitled "Water and Electrolyte Studies in Cholera" by Watten, Morgan, na Songkhla, Vanikiata and Phillips (J. clin. Invest. 1959, 38, 1879), the osmolarity values in Tables II and III were erroneously "corrected" according to Eisenman's formula on page 1881 of the paper.
