Citation for this corrigendum: *J Clin Invest.* 2019;129(7):2980. [https://doi.org/10.1172/JCI130874](https://doi.org/10.1172/JCI130874) The corresponding author recently notified the editors that Figure 5A of this article contained microscopy images that were previously published in Figure 2A of an American Journal of Tropical Medicine and Hygiene publication by this group (1). The same images were used to demonstrate the presence of the A blood group in HT-29 cells. This experiment was repeated multiple times, and the authors are updating this panel with an independent replicate. The corrected panel appears below. The authors regret the error.
