Original citation: J. Clin. Invest. 2010;120(1):394. doi:10.1172/JCI36714C1. Citation for this corrigendum: J. Clin. Invest. 2011;121(1):456. doi:10.1172/JCI45846. In the Methods section titled “Fatty acid infusion,” the dose of fatty acids delivered centrally was given incorrectly. The correct sentence appears below. The cannula was connected via a polyethylene catheter to a subcutaneous osmotic minipump (Alza Corporation) filled with either palmitic or oleic acid (equimolar concentrations, 50 µmol/l; Sigma-Aldrich) or vehicle (PBS) for continuous infusion over 3 days. The authors regret the error.
